WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., TUESDAY, AUGUST 9, 1904.

ONE COPY—ONE CENT.

ALL IN SIX DAYS.

**Monday.**  
Good-bye, old overcoat.  
I'm glad to see you go;  
The closest hook for you—  
We've seen the last of snow.

**Tuesday.**  
You're kind o' rusty, yes;  
And out of date, at that;  
But then at any rate  
You're made of straw, old hat.

**Wednesday.**  
A real midsummer day—  
Whee! It makes one puff.  
A man I met down town  
Asked: "Find this hot enough?"

**Thursday.**  
Jehoshaphat! It looks  
Like summer's here for fair.  
I'll have to overhaul  
My last year's underwear.

**Friday.**  
Brr! Say, but that wind's raw.  
It chills you through and through.  
Humph, what do you think of that?  
It's started raining, too.

**Saturday.**  
Back again, old overcoat:  
Too soon for you to go.  
I'll put you on again  
And shovel off the snow.  
—Kansas City World.

## BAD FREIGHT WRECK

**'Spreading Rails Caused a Smashup  
on the L. and N.**

There was a good-sized freight wreck on the  
L. and N. yesterday afternoon. As No. 19, in  
charge of Conductor J. W. Thompson and  
brakeman Jack Moore, was nearing Clark's  
Station a spread rail derailed and ditched seven  
cars and a caboose.

The train was a mixed one and while con-  
siderable loss was sustained, fortunately no one  
was killed.

Conductor Thompson and brakeman Moore  
were slightly injured.

The crew was in no wise responsible for the  
misadventure.

The wrecking crew has the track clear this  
morning and there will be no delay in traffic on  
the road.

## PAY OF MAGISTRATES

**Suggestion That They Receive a  
Straight Salary**

How would it do to have the Magisterial  
Courts of the county put on a salary basis in-  
stead of the fee system as is now in vogue?

A stated salary is much the best. Under the  
present mode the Magistrates pay is conditioned  
in the conviction of the person being tried, and  
in nine cases out of ten the Court is lending its  
best efforts to that end in order to compensate  
itself, rather than seeking to find the true  
merits of the cause and governing itself ac-  
cordingly.

All fines and costs should be turned over to  
the county—as are the fines and costs of the  
Police Court turned into the Treasury of the  
City of Maysville.

The salary paid should be in accordance with  
the volume of business transacted.

The two Maysville Magistrates should receive  
considerably more than those in the county dis-  
tricts.

A salaried official not being dependent on the  
outcome of a trial for his pay, would be free  
from all bias and would render his decision in  
accordance with the facts and evidence brought  
out in the testimony—which is now not always  
the case.

This is a matter that should be corrected by  
an enactment of the Legislature, and the sooner  
it is done the better.

## A SLICK FELLOW

**Colonel Edward Whittington Wants  
Him \$45 Worth**

A smooth individual who gave his name as  
W. F. Downey, and as representing the Boggs  
Drilling Co. of Philadelphia, has been in the  
city for several days past.

During his stay he ingratiated himself in the  
good graces of several of our citizens by his  
wonderful stories of what he and his firm con-  
templated doing.

Among the number was Mr. Edward Whit-  
tington, doing business on the corner of Front  
and Market streets.

In some manner he impressed this gentle-  
man as being straight, all-wool and a yard wide,  
and would be kind enough to indorse a \$45  
check for him, as he was in need of a little  
cash.

To all appearances the man was as he rep-  
resented himself to be, and Mr. Whittington did  
the accommodation act by putting his sign-  
manual to a paper for the above amount.

With such gilt-edge indorsement it was  
readily cashed by a local Bank.

After getting the money deep down in his  
flank, the glib-tongued scoundrel was not long  
in shaking the dust of our new made streets  
off his feet—he vamoosed last evening between  
twilight and the shade of night.

Policeman Ort and Mr. Whittington were  
scouring the city last night for the wily duck,  
but it is evident he has gone to pastures green  
for more game.

Among other unpaid bills he owes for what  
he ate during his short sojourn here.

A Cuban Anarchist named Villalonga, at-  
tempted to assassinate Civil Governor Nunez.  
When he was arrested he claimed he had orders  
from President Roosevelt to intervene in the  
Government of Cuba. He is probably insane.

Sunday night.

The Conference this week at Washington will  
make chickens fly.

'Squire William H. Rice shipped two more  
car loads of lambs to Jersey City Saturday.

The per capita for the Public Schools of  
Kentucky for this year has been fixed at \$2.95.

The Trustees of the Minerva High School  
will hold memorial exercises in the school  
building September 1st in honor of the memory  
of Mr. Hiett, the founder of the school. Gov-  
ernor Beckham and Congressman Kehoe have  
been invited and are expected to be present,  
together with other distinguished personages.

Clarence Braxton left this morning for  
Frankfort as a delegate to the state Grand  
Lodge, U. B. F. No. 30, which convenes at that  
place today at 10:30 a. m. K. C. F. G. Brady  
of Golden Leaf Camp, K. of F., will go with  
the Uniform on Friday. Captain George H.  
Jackson will have charge of the camp in the  
prize drill.

The Rev. R. E. Moss will hereafter preach at  
4 p. m. the first Sunday in each month at the  
Lawrence Creek Church.

There were two bids for the sewer pipe sub-  
mitted to the Committee having the matter in  
charge at their meeting last night. The bids  
were from W. F. Power and Larry Langefels.  
The amount involved was something over \$9,  
000, and Mr. Power's bid was \$172 lower than  
that of Mr. Langefels. Both bids were re-  
jected, from the fact that neither one came up  
to the requirements of the specifications.

Last evening about 7 o'clock a buggy con-  
taining Mrs. Charles Bland and child and her  
sister, Mrs. Louise Harting, was overturned in  
front of the St. Charles Hotel in Front street,  
and strange to say not one of the occupants  
were injured. Mrs. Bland was driving and in  
her effort to turn the buggy around the mishap  
occurred. Those who witnessed the incident  
were greatly alarmed, believing for an instant  
that all were either killed or badly injured. It  
was a marvelous escape.

The Handsomest Calendars Ever Shown in This City

The business man who spends his money in Maysville, simply puts that money into the hands of people who will in turn spend it with him again.

Did you ever think of that?  
The business man who spends his money for printing in Louisville, or Cincinnati, or Chicago, or New York, puts that money into the hands of people who never did, nor ever will, spend a dollar in his store.

Did you ever think of that?  
Now, in order that a good deal of this money may be kept at home, and spent by home workmen and home employers with home merchants, The Ledger Printery has secured the handsomest line of Calendars ever shown in this city, with a price limit to suit every need.

Mr. Richard L. Miles, The Ledger Printery's expert Printer, will call on you in a few days, dazzle your eyes with the beauties and tickle your bank account with the prices.

**Mrs. Anderson, Jacksonville, Fla., daughter of Recorder of Deeds, West, who witnessed her signature to the following letter, praises Lydia E. Pinkham's Vegetable Compound.**

"DEAR MRS. PINKHAM:—There are but few wives and mothers who have not at times endured agonies and such pain as only women know. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any I ever knew and thoroughly reliable. "I have seen many cases where women doctored for years without permanent benefit, who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and incurable came out cured, happy, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and appetite, and tones up the entire system. Your medicine has been tried and found true, hence I fully endorse it."

—Mrs. R. A. ANDERSON, 225 Washington St., Jacksonville, Fla. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.

No other medicine for women has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female troubles. Refuse to buy any substitute.
